

METZELER

Product Certificate

ARTG Number: 363471

**Congratulations on your purchase
from the Metzeler Mattress range.**

We are confident that you will get many years of satisfaction and quality sleep from this clinically tested and proven product.

8 year Structural Integrity Warranty

This warranty does not include the medical grade cover. This mattress can be used on both sides offering the same pressure relief and comfort level. Regular turning will assist with long-term mattress performance.
